

PAPERplus® Papillon

VERSATILE AND COMPACT

PAPERplus® Papillon IS OPTIMAL PROTECTION FOR SMALL AND MEDIUM-SIZED GOODS.

Thanks to its special, patented shape, the paper cushioning of the PAPERplus® Papillon system offers optimal protection for small and medium-sized goods. The system itself features a compact, space-saving design. Available in a variety of models,

the PAPERplus® Papillon machine is simple to integrate. When connected with a conveying system and a silo, a single PAPERplus® Papillon can supply multiple packing stations with cushioning at the same time.
